WORK EXPERIENCE

Tech Mahindra

JULY 2023 TO JUNE 2024

Customer support executive

Effectively resolving the customer complaints related to products and deliveries by providing accurate resolutions in line with company policies. I offer post-purchase support by proactively contacting customers and addressing their queries. With a strong focus on customer satisfaction, I ensure each interaction is handled with attention to detail, aiming for complete issue resolution and a positive customer experience.

July 2024 to Nov 2024

Tech Mahindra

Quality Analyst

Demonstrated expertise in elevating customer satisfaction and experience in telecom call centers through strategic problem-solving and deep product knowledge.

Skilled in conducting diverse audits (surprise, short/long call, hygiene) aligned with client parameters to drive quality and performance.

Proactive in identifying process gaps and recommending impactful improvements to consistently meet and exceed quality targets.

Feb 2025 to Present

Wyzmindz Pvt. Ltd.

Quality Analyst

Conducting external audits across Flipkart centers to evaluate quality scores across locations.

Ensuring alignment of audit processes with client expectations and operational goals, while highlighting zero-tolerance cases.

Providing process suggestions to enhance call quality, customer centricity, and address process gaps.

Analyzing the Resolution Rate (RR) case study to extract actionable insights.

Offering innovative process suggestions to boost efficiency and improve quality outcomes.

Performing the CEO escalation, Grievance support and social media escalation audits.
